

PARK

BY SIDEWALK CITIZEN

EVENTS 22/23

Our restaurant is located in Central Memorial Park, a verdant oasis in the heart of downtown Calgary.

Park is an homage to the quiet spaces we go to experience nature within a city, and to the park's century old "Garden Rooms" used for courting in Victorian times. Filled with natural light, open to the summer breeze and warmed by fireplaces to dispel the cold of winter, with drinks and snacks to fill your soul.

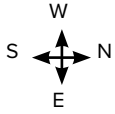

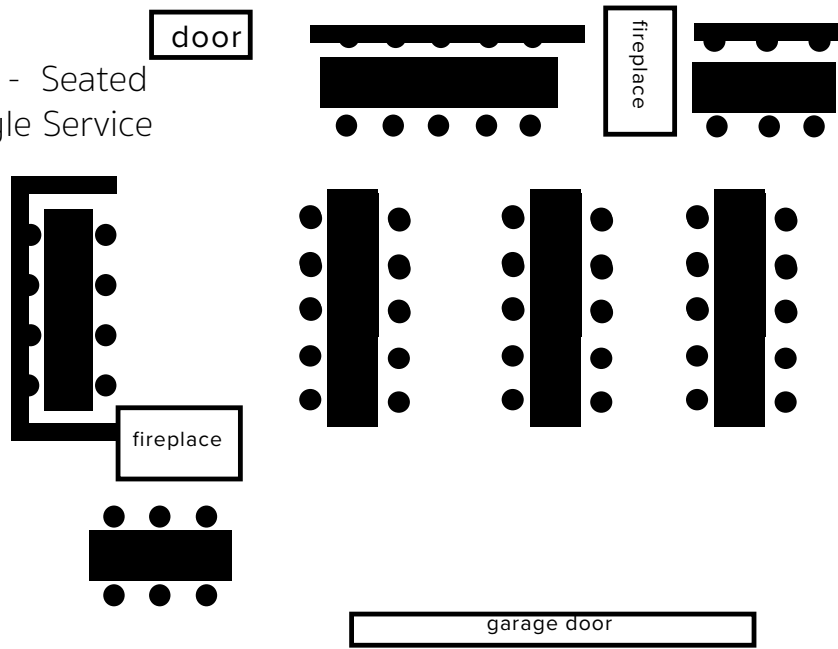

An ideal setting for birthdays, family dinners, holiday parties, baby showers and more!
